

Hamcom interface by Nina Gajjar: DIN5 Connection Details

## 5PIN DIN Connector Pin-outs

### 5 pin DIN

On Hamcom interface, a female connector is used with following pin-outs:

- 1 = PTT
- 2 = GND
- 3 = NC
- 4 = Receiver audio input to Hamcom
- 5 = Tx Output (Mic input to transceiver)

Please wire transceiver connector supplied with kit with above guideline.

Regards
